

COOKIE NOTICE

Like many companies, we, Kapa Oil Refineries Limited, use technologies on our website to collect information that helps us enhance your experience and our products and services. These technologies include cookies that we use on our website to help us to understand what information and advertising is most useful to website visitors.

We respect your concerns about privacy and value the relationship that we have with you. This Cookie Notice addresses some concerns you may have in relation to collection of data through use of cookies on our sites.

If you continue using our website without disabling cookie settings on your browser, we assume that you consent to our use of cookies on this device. You may refuse to accept cookies by activating the appropriate setting on your browser. However, if you select this setting, you may be unable to access certain parts of our website. Unless you have adjusted your browser setting so that it will refuse cookies, our system will issue cookies when you direct your browser to our website.

This Cookie Notice applies to any websites, apps, branded pages on third-party platforms (such as Facebook, Twitter and Instagram), and applications accessed or used through such websites or third-party platforms (hereinafter, "our websites") which are operated by or on behalf of Kapa Oil Refineries Limited. References to "Kapa Oil Refineries Limited" in this Cookie Notice include any Kapa Oil Refineries Limited related companies, affiliates and joint ventures.

Please take a moment to familiarise yourself with our cookie practices and let us know if you have any questions by sending us an e-mail or submitting a request through marketing@kapa-oil.com.

What is Cookies?

Cookies, pixel tags and similar technologies (collectively 'cookies') are files containing small amounts of information which are downloaded to any internet enabled device such as your computer, smartphone or tablet, when you visit a website. Cookies are then sent back to the originating website on each subsequent visit, or to another website that recognises that cookie.

Cookies do lots of different and useful jobs, such as remembering your preferences, generally improving your online experience, and helping us to offer you the best product and services.

When you are using our website, Cookies collect certain usage data. This data is collected to improve site functionality and to tailor site behaviour and content to you, and we process this personal data in accordance with Kapa Oil Refineries Privacy Policy. Data collected include:

- Details of your visits to our website, including traffic data, location data, logs, and other communication data and the resources that you access and use on our website
- Information about your computer and internet connection, including your IP address, operating system, and browser type.

Who is Controlling the Data Collected by Cookies?

Any personal data collected by Kapa Oil Refineries Limited via cookies and other tracking technologies is controlled by Kapa Oil Refineries Limited, the data controller.

Kapa Oil Refineries Limited will only collect, use or disclose your personal data where it is fair and lawful to do so and in accordance with our Privacy Policy.

For a more detailed understanding of how we use personal data collected by Kapa Oil Refineries Limited, please refer to our Privacy Policy.

What Purpose do we Use Cookies For?

We use cookies to make Kapa Oil Refineries Limited's websites easier to use, to deliver a personalised experience on our websites, and to better tailor our products, services and websites to your interests and needs. Cookies are used to help speed up your future activities and your experience on Kapa Oil Refineries Limited's websites.

The cookies you consent to, are also used to collect your data which we then profile into audiences so that we can deliver targeted advertising tailored to your interests and limit the number of times you see an advertisement.

We may also insert cookies in emails and newsletters to improve our content and advertising.

We also use cookies to compile anonymous, aggregated statistics that allow us to understand how people use our websites and to help us improve their structure and content and also help us measure the effectiveness of advertising campaigns.

How can I Control or Delete Cookies

There are many ways to manage your cookies including:

- You can refuse to give your consent to allow cookies; or
